

# Sustaining Sustainabilities

## Tourism - 2017

*cultural heritage and cultural capital*

University of Pannonia

Faculty of Business  
and Economics

Department  
of Tourism

## CALL FOR PAPERS

We are interested in receiving outlines of 300 words for proposals (15<sup>th</sup> December) to present papers in this conference in Veszprém in Hungary on 3<sup>rd</sup> – 6<sup>th</sup> May, 2017.

On behalf of the Department of Tourism at the University of Pannonia in Veszprém, Hungary, we would like to invite you to our next conference.

We would like to hear about sustainability is working – or not – within the field of cultural heritage and European cultural capitals.

Papers can be drawn, not necessarily exclusively from the following areas: tourism, hospitality, gastronomy, festivals, events, attraction and destination management.
